Job Application - Software Developer

Hi Ankit,

This is with reference to a job id - xxxx of software developer listed by __(Company) on LinkedIn. I went through the job description along with the roles and responsibilities mentioned and it matches with the learning experience I have as part of my education.

I have attached my resume for your reference, which will help you understand my educational background and how I can provide value to the company. I look forward to hearing from you and getting interviewed.

Thanks & Regards Prankur Gupta
